Sensors
Photoelectric, Color, Inductive Proximity, Capacitive, Magnetic Sensors, Light Grid Arrays, Linear Transducers, Micropulse®, RFID.

BALDOR

Servo Motors & Controls, AC Motors & Inverters, Linear Motors & Controls, Multi-Axis Motion Control, DC Motors & Controls.

DANAHER

- **DANAHER LINEAR**
Industrial Linear Actuators, PPA Performance Pak, Precision Linear Actuators, Rodless Actuators
- **DELTRAN PT**
Friction Brakes & Clutches, PSI Wapspring Clutches & Brakes
- **MICRON™**
Precision Low Backlash Planetary Gearheads
- **SUPERIOR ELECTRIC**
AC Synchronous Motors, DC Step Motors & Drives, Gearheads, Multi-Axis Controllers

MDrive™ Integrated Step Motor Drive/Controller, Gearheads, Linear Actuators, Step Motors, Power Supplies

AC Motors to 350HP, 220 & 480 VAC 1 or 3 phase, Washguard® Stainless Steel Motors

Operator Interface Displays, Color & Monochrome

Fractional AC Motors & Gearheads, Step Motor Drive Packages, EZ Limo™ Linear & Rotary Actuators, 5 Phase Step Motor Packages, Brushless DC Motors, Motion Controllers, Cooling Fans

- **LEDEX® & DORMEYER®**
Solenoids
Linear, Rotary, Open Frame, Magnetic Latching, Soft Shift, BTA, Ultimig
 - **MOTORS - MINIATURE**
Synchronous Step Motors, Gearheads
- SWITCHES**
